THIS IS THE VOICE OF THE MYSTERONS: COLLECT FREE CAPTAIN SCARLET ACTION FIGURES

EXCITING NEWS HAS JUST BEEN BEAMED DOWN FROM THE SPECTRUM CLOUDBASE .....

KELLOGG'S RICE KRISPIES IS GIVING AWAY THE LATEST CAPTAIN SCARLET ACTION FIGURES FREE ON SPECIAL PACKS

You only need to collect 8 Spectrum tokens (+20p postage) for one of the dynamic characters that feature in the brilliant TV series. There are 4 moveable action figures to be collected in total - Spectrum's number one agent Captain Scarlet, the fearless pilot, Captain Blue, leader of the Spectrum Angels, Destiny Angel and the dreaded enemy and Mysteron Agent, Captain Black.

They each come equipped with protective weaponry, for instance the Lazar Bazooka that Captain Blue fires when under attack and the Electron Gun that Captain Scarlet operates with the help of a special shoulder holster. You can act out and create new Spectrum adventures with these 4 action figures.

Kellogg's Rice Krispies has reproduced a Spectrum token especially for Buster readers to start off your collection. Simply cut out 7 more tokens from the special Kellogg's Rice Krispies packs in the shops now, for your first Captain Scarlet action figure.

As a special offer, you can also send off for the magnificent Spectrum Pursuit Vehicle. Kellogg's Rice Krispies is offering it for only £7.99 plus 2 pack tokens. It is completely bullet-proof and has a unique ejector seat to release the Spectrum Agents in times of danger. But don't forget, it has no windscreen and the driver faces backwards and has to control this mega land vehicle by a TV monitor that shows him the road ahead.
